

Inauguration of Leaders Accelerating Development Program

Shaikh College of Engineering & Technology witnessed the grand inauguration of Leaders Accelerating Development Program, the LEAD Cell supported by the prestigious Deshpande foundation, Huballi at their campus. The inaugural was followed by the orientation session presented by the invited guest Mr.Absar Patel, the LEAD Manager of North Karnataka region. The dais was shared by the Dean Academics Dr.K.Ravi, Head of the Department of Computer Science Engineering Dr. Shivleela Aralimati and the LEAD coordinator of SCET Prof.Bhairu Patil.

Dr.K.Ravi welcomed the gathering by briefing the achievements done so far by the LEAD organization. In his orientation session, Mr.Absar Patel presented the various activities conducted under the LEAD cell, its innumerable benefits to the student community. He also presented videos showcasing the achievements done by the students of different parts of Karnataka and inspired over two hundred enrolled student members of SCET. He also presented the ongoing work on skill development programs and incubation centre under their leadership. The event was coordinated by Prof.Chetana Patil and was concluded by Prof.Preeti Raikar with a vote of thanks.
