

YUVA PRAVARTAN

Shaikh College of Engineering and Technonology has organised and was inaugurated special invited talk to the Final Year Students of SCET on Agile professionals of tomorrow by Mr. Sharat Airani of YUVA PRAVARTAN Pune. During his talk Mr. Airani emphasized the Employability Skills Training and Helping Youth realise their True Potential. He also highlighted the importance of Skill development in the areas Soft Skill, Cyber Awareness and Entrepreneurship as well as imparting industrial training to the engineering students. Principal Dr. Mohan Vanarotti welcomed the Gathering. Dr. H.G. Shekharappa, Director SCET delivered the overview of the program. Prof. Muzafar Naikwadi has introduced Cheif Guest to the audience, Dean Academic Dr. K. Ravi proposed the vote of thanks. HOD's, all the staff members and students were present in the occasion. It is heartening to note that Shaikh College is organising this type of activities for the students to improve their Placement activities. Previous year the college has placed about 45 students and they are aiming to provide 100% placement this year.
