

## Engineer's Day Celebration

As a tribute to one of the first and finest engineers of India Sir. Mokshagundam Visvesvaraya, Shaikh college of Engineering and Technology (SCET) Celebrated Engineer's Day on 23<sup>rd</sup> Sept.2017. Principal of Govt. Engineering College Haveri and Academic Senate member of VTU, Dr.K.B.Prakash graced the occasion as the chief guest. The dais was shared by Chairman of Shaikh Group of Institutions, Er.Abu Shaikh, Principal of SCET, Dr.Mohan Vanarotti , Dean Academics Dr.K.Ravi . Four of the alumni were also the part of the occasion.

Principal Dr.Mohan Vanarotti in his welcome speech highlighted the contributions of Sir.M.V to the society and motivated the young

engineering students and faculty. Dr.K.Ravi introduced the chief guest and also presented few important facts of engineering education. The invited alumni also addressed their juniors to be well groomed with professional etiquettes, practical knowledge and improvise on attitudinal and communication skills to face the competitive world outside.

Chief Guest, Dr.K.B.Prakash motivated the students about the self growth giving the example of a Chinese Bamboo Tree. He delivered a high impact inspirational speech by narrating many short stories to the engineering students which was followed by Prize distribution to the winners of the various competitions held such as technical poster painting, Quiz, Science Model exhibition and technical rangoli. Chairman of SGI, Er.Abu Sahikh in his presidential remarks acknowledged the efforts of the all organizing committee members and also shared his valuable insights on the high quality engineering education to be imparted to the students of SCET by considering Sir. M.V as their role model. The event was coordinated by Prof.Chetana Patil. The event was concluded with vote of thanks proposed by Prof.Ashish Patil.
