

### Guest Lecture under ISTE Student Chapter

A guest lecture on “Distributed systems and Parallel Processing Systems” was organized conjointly by the Department of Electronics & Communication and Computer Science Engineering of Shaikh College of Engineering & Technology, Belagavi under the ISTE student chapter on 27<sup>th</sup> Sept. 2017. The invited expert Dr.Santosh L.Deshpande, HoD CSE, PG studies and the member of board of studies, VTU Belagavi, shared with students his knowledge about the need of computation and the technology related to simulations, virtual reality, searching, optimization problems and artificial intelligence. He also spoke about the challenges of synchronization in the distributed systems and the issues related with reliability and fault tolerance. The talk was organized under the leadership of Dr.Shivleela Aralimatti, HoD Computer Science Dept. It was concluded by proposal of vote of thanks by Prof.G.B.Hangargi, HoD of Electronic & communication Dept. All the students of computer Science Engineering and Electronics & Communication Engineering were benefited by the lecture.
